## 6) Notes

This Nebraska 2015 Medicare Part D Stand-Alone Prescription Drug Plan was updated as of October 14, 2014. This Includes 2015 approved contracts/plans in Nebraska. Employer sponsored plans (800 series) are excluded. Plans under sanction are not shown. Notes: Data are subject to change as contracts are finalized. For 2015, enhanced alternative plans may offer additional cost sharing reductions in the gap on a sub-set of the formulary drugs, beyond the standard Part D benefit.
